April 15, 2000

Dr. Jane Henny
Commissioner of FDA
5600 Fishers Lane
Rockville, MD 20857

Dear Dr. Henny

Soy milk should not be called anything other than soy milk, just as coconut milk should not be called anything other than coconut milk. Cow's milk is cow's milk and should be labeled as such. Please do not give in to the self-serving demands of the dairy industry. Non-dairy beverages should be allowed to be labeled as "milk" while "milk" from animals should be labeled clearly and honestly.

Sincerely

Thomas Curry
